

2010 Sponsorship Invitation

We are pleased to invite you to join us as a sponsor of the 2010 SRI in the Rockies Conference. Come join us in the Exhibit Hall at our 21st annual conference!

SRI in the Rockies is the premier annual gathering of the sustainable and responsible (SRI) investment industry in North America. This conference showcases leaders in the investment industry, businesses striving to be good corporate citizens, and organizations working to direct the flow of investment capital to those underserved by traditional lending institutions.

Sponsorship is an excellent way to introduce new services and place new products in front of hundreds of SRI practitioners, from diverse corners of the industry. From industry veterans to new players, all sponsors enjoy unparalleled networking opportunities and face time with conference attendees.

SRI in the Rockies sponsors receive high value return on their sponsorship dollars. The SRI industry is changing rapidly. For new and old players alike, SRI in the Rockies is the most prudent, efficient, and effective way to make your organization known to SRI practitioners.

Now, more than ever, is the time to join and support this innovative, cutting edge industry as we continue to create the “change we want to see.”

Three levels of sponsorship provide flexibility for your budget and your organization’s unique needs; all with great exposure to ensure high value return on your sponsorship dollars. Your brand will be presented in a number of ways: exhibit space, print ad, logo slideshow during conference meals, representation on the SRI in the Rockies website, and much more.

On behalf of First Affirmative Financial Network, we thank you for giving serious consideration to supporting the 21st annual SRI in the Rockies Conference. We look forward to speaking with you, and answering your questions.

And, we hope to see you in San Antonio in November!

Sincerely, your hosts,

George R. Gay, CEO
